

Fireguard™

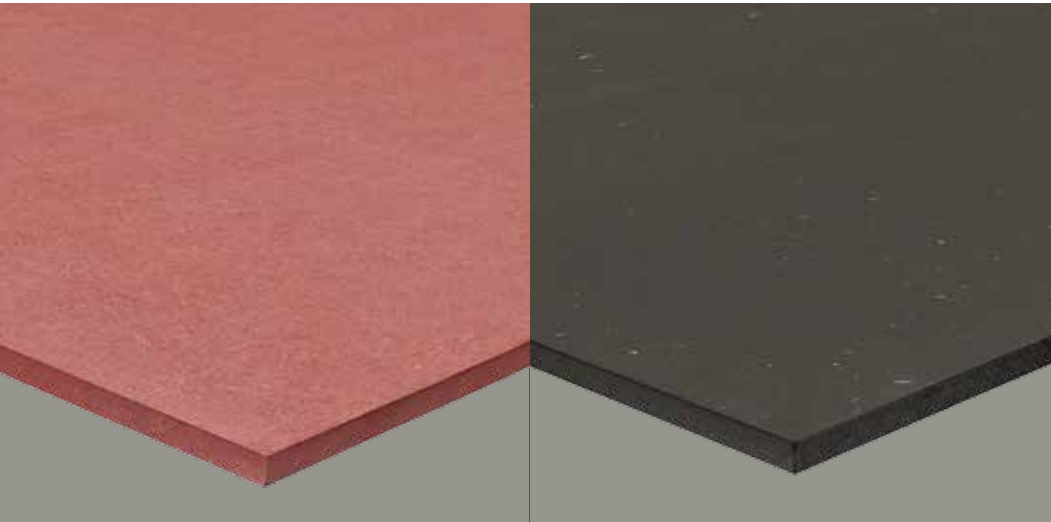

Group 2

trade essentials®

Trade Essentials® Fireguard™ combines high quality MDF with leading fire retardant ingredients, producing a product that can be used whenever increased fire resistance is desired.

With Group 2 certification it will comply with NCC (National Construction Code) requirements relating to materials usage in commercial buildings. Group 2 rated products provide confidence that the material is 'combustible under extreme conditions.'

Fireguard™ Properties

Classification

Meets the Australian / New Zealand Standard as a Formaldehyde Emission Class E1 product ($\leq 1.0\text{mg/l}$).

Features and Benefits

- ▶ Classified a Group 2 fire retardant product
- ▶ Increases building safety by reducing the spread of fire
- ▶ Denser and stronger than plywood and particleboard
- ▶ Available in refined standard red or black colour

Applications

- ▶ Office partitioning, screens and dividers
- ▶ Panelling for exhibition centres, conference rooms and auditoriums
- ▶ Alternative to plywood, non standard MDF and particleboard for commercial and residential applications
- ▶ Suitable for all applications where fire resistance at a Group 2 level is required

Trade Essentials Fireguard is marketed and distributed by Laminex Group ABN 98 004 093 092, trading as Laminex. The colours and finishes of the products featured within the imagery in this brochure are as close to Trade Essentials Fireguard as photographic lighting and our printing processes allow. Different camera angles, although not designed to be misleading, can sometimes distort actual size and distances. Trade Essentials Fireguard, being comprised of natural timbers will react to direct and indirect light. Therefore, a change of the surface colour and appearance over time is a natural characteristic, not a defect. Additionally, humidity will interact with light to accelerate the ageing process. Fireguard is non-structural and should not be used in structural/load-bearing applications. Please obtain a copy of the terms and conditions of the Trade Essentials Fireguard 7 year limited warranty from tradeessentials.thelaminexgroup.com.au. This warranty is in addition to any rights that may exist Australian Consumer Law. Trade Essentials® Fireguard™
