 **easy**craft®
stylish solutions for walls and ceilings

easyascot®

The classic **easyascot** panelling is perfect for those special rooms where you want to add a touch of class, like a formal dining or master bedroom. It also looks great in entry hallways giving a subtle yet classic finish.

easyascot® wall panel range

easyregency®

The **easyregency** panelling presents a warm country style finish that is suitable for most rooms, particularly kitchens, lounges and bedrooms.

easyvj®

The **easyvj** panelling will suit most modern homes delivering a look and feel that will enhance any room. The MDF product is extremely hard wearing and can handle anything the family can throw at it.

easydado®

Easydado is designed to provide the perfect finish to your wall panelling no matter which style you choose. It can be used to finish off the 900 high panels (rebated) or you can use the flat version to sit at any height.

why choose easycraft

- **Easy to install** – either do it yourself or rest easy that just one tradesman can install your easycraft wall or ceiling feature from start to finish, utilising the easyjoin system, ensuring a strong, professional finish.
- **Easy on the eye** – in both contemporary & traditional design applications, easycraft looks superb, providing just enough profile to enhance any room.
- **Easy to finish** – easycraft MDF panels come fully pre-primed ready for the final coat application and you can use either water or oil based paint.
- **Australian owned and made** – using eco approved products sourced only from plantation timbers here in Australia.
- **Tough & impact resistant** – made from a (MR) moisture resistant (MDF) medium density fibre board, its ideal for those rooms that need to meet the day to day adventures of the whole family. Also great for garage and storage area walls, making hanging things easy.
- **New wall building or renovating applications** – easy to install over an existing wall or direct to frame for new building projects.

product	description	length (mm)	width (mm)	product code
easyvj	wall panel	900	1200	V09MR09
easyregency	wall panel	900	1200	R09MR09
easyascot	wall panel	900	600	AP900 (dado wall)
	full wall panel	2400	600	AFW2400 (full wall)

All the above products are manufactured from 9mm MDF MR EO board. They come pre-primed with a commercial grade undercoat allowing minimal preparation before final coat.

product	description	length (mm)	width (mm)	product code
